- Texas Instruments DLP™ Projection System
- Native XGA (1024 x 768) resolution
- 2200 ANSI Lumens
- 2000:1 contrast ratio
- 31" to 300" image size
- 5 segment colour wheel
- Colour matching technology
- Less than 28dB audible noise (Economic mode)
- 9 sets of application modes
- Hot key for "Mode" selection
- OFF line cool down
- Power saving "Auto Off"
- Up to 4000 hours lamp life (Economic Mode)

The BenQ MP620p digital projector is perfect for multimedia presentations in educational or business settings.

The MP620p features a brightness of 2200 ANSI lumens, a 2000:1 contrast ratio and XGA native resolution of 1024 x 768. The MP620p also comes equipped with BenQ's unique colour matching technology to ensure faithful colour reproduction.

The MP620p also features 9 set application modes, Power Saving "Auto Off", and a dust proof design. Despite all of these powerful features, there's still up to 4000 hours lamp life, giving you huge amounts of time for both business and leisure activities.
